1. Click the name of your child and choose the option "top up".
2. If your child is under classroom delivery, click the gear button beside your name on the upper right side of the screen and choose "top up".
3. Select Top-amount - Click on the prepopulated set amount (100, 300 or 500 AED) or enter custom amount in order to Top up account with your chosen method of payment.

How to add another child to your account

1. Login to your account at <https://pay.slices.ae/>
2. Click “add Child” button
3. Add your child’s information
4. Add your child’s Dietary Information (Optional)
5. Add any known allergies information (Optional)
6. Great! You have now registered an additional child with Slices and their card will require top-up

Important to remember:

The top-up amount will go into your parent “holding” account first, which you can see on the top right-hand side under your name.

This will allow you to manually transfer/add balances from your account to your individual child’s account

To top up your child’s account:

Click on your child’s name and click the Top up button. The corresponding amount from your parent balance will then be transferred to the child.

If this amount is not manually transferred from the parent account by you, it will not show in your child’s account
